

Air Defense Disinfectant Spray Sanitizer, disinfectant, cleaner and fabric refresher.

Kills 99.99% of germs and viruses in 60 seconds including the Human Coronavirus*

For use on a wide range of hard surfaces and fabrics. Ready-to-use spray. EPA registered to kill a broad range of pathogens, including MRSA and E. coli. See label for a complete list of pathogens and dwell time requirements.

Use AirDefense to -

Sanitize: AirDefense kills 99.99% of germs on hard non-porous non-food contact surfaces in 60 seconds.

Disinfectant: AirDefense is a hospital grade disinfectant when used according the AOAC Use Method. Follow same procedures as for sanitizing, but allow AirDefense to remain wet on surface for 10 minutes before wiping.

Mildewstat: Wash visible soil from the surface. Spray all surfaces thoroughly wetting surface. Let air dry. Repeat application every 7 days to control reoccurrence of growth.

Fungicide: Effective against Athletes Foot Fungus in locker rooms, shower and bath areas and exercise facilities.

Cleaner: Functions as a light-duty cleaner. Spray surfaces and wipe clean with soft cloth.

Air and Fabric Freshener: Lightly spray the air or onto porous surfaces such as A/C filter, upholstery, drapes, mattresses, bedding and carpets to remove odors. Will not harm most washable surfaces.

Linen Fresh Scent
Case of 12 cans #126233

TECHNICAL DATA:

APPEARANCE: a clear, light aerosol spray

FRAGRANCE: Linen Fresh

DISINFECTANT TYPE: quaternary ammonia

* When used according to label directions on hard, non-porous surfaces. See label for a complete list of pathogens and dwell time requirements.
