

Odor Beads

Easy and effective odor control with hundreds of applications.

- Polyethylene beads infused with scent and packaged in air-permeable nylon bags.
- Each bead bag releases its air freshener scent for 30 days or more.
- Use in vacuum cleaner bags to freshen the air every time you vacuum.
- Place in air vents and air conditioners for continual odor control.
- Put on back of doors or garbage can lids using the dispenser that is included.
- Each bucket has a re-sealable lid and contains 24 Odor Bead bags. Place on maids' carts or in custodian closets for convenient storage and easy accessibility.

Botanical Bliss – touches of citrus combined with green tea and jasmine plus deep woody undertones. Fragrance contains no known allergens. #127944

Peaches & Cream – the scent of fresh peaches with creamy vanilla. #113725

Sunburst – a very bright scent. Sparkling citrus with fresh, juicy fruit. #116046

Spring Fresh – a clean, herbal citrus scent. #113219

A Dispenser is included with each bucket of Beads. Stick it to the back side of a door, in a closet or other area that needs freshening.

Extra Odor Bead dispensers - #105834
