

Product #129264

NEUTRON
CLEAN SMARTER. SMELL BETTER.

Neutron Enzymatic Cleaner

3D Super Dooper

Saturate area on carpet, tile, grout, cement, equipment, furniture - any surface with an organic stain.

Apply to wet surface or mist with water. Neutron Enzymatic Cleaner will continue to work as long as the area remains wet.

Leaves area clean, fresh smelling and stain free.

NET CONTENTS: 1 US Quart (946mL)

DIRECTIONS FOR USE:

Deodorizing: Test a small, inconspicuous area before using on fabrics to be sure no discoloration will occur. Then spray Neutron Enzymatic Cleaner directly on items to remove odors.

Garbage Cans, Dumpsters: Spray undiluted product over garbage.

Carpeting: Spray a fine mist directly on the carpet to control odor causing pet stains and other soil spots. From separate sprayer, mist water on top of product to activate. Odors frequently come from carpet pad. Covering with moist towel and leaving overnight permits product to wick down to problem.

Animal Cages: Spray a fine mist, preferably when animals are out of cages. Do not spray directly on animals.

Bathrooms: Spray on floor under urinals or toilets to remove urine stains and deodorize. From separate sprayer, mist water on top of product to activate.

Removing Smoke Odor From Fire Damage: Spray undiluted on smoke damaged walls, floors, draperies, or porous surfaces. Before re-entry, allow the area to dry and ventilate.

Drain Maintenance: Treat the lowest levels of the system first to avoid obstruction by matter from upper levels. In systems with a grease trap, treat trap before treating lines entering the trap. If trap is plugged, clean it out before applying product. Urinals/Toilet - 8 oz - 2 times per week; Drains - 4 oz - 2 times per week; Drain Fields - 2 oz weekly; Grease Traps - 1 pint to each drain weekly; Septic Tanks - 4 oz. / 1000 gal. capacity weekly.

FOR INDUSTRIAL AND INSTITUTIONAL USE

WARNING: May cause an allergic skin reaction. Causes serious eye irritation. **PREVENTION:** Wash hands thoroughly after handling.

RESPONSE: If eye irritation persists: Get medical advice. **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. **IF SKIN** irritation or rash occurs: Get medical attention.

STORAGE: Store locked up. **DISPOSAL:** Dispose of container in accordance with all Federal, State and Local Regulations regarding waste disposal.

INGREDIENTS: Water (7732-18-5), Linear Alcohol Ethoxylate (68439-46-3), Nonpathogenic Bacterial Cultures (Proprietary), Fragrance (Proprietary), Odor Eliminator (Proprietary), Copolymer Emulsion (Proprietary), d-Limonene (5989-27-5), Alpha-Isomethyl Ionone (127-51-5), Linalool (78-70-6), Geraniol (106-24-1), Amyl Cinnamal (122-40-7), Citral (5392-40-5).
